

Security organization worksheet

Part 1: Describe your security interests
<ul style="list-style-type: none">• Network Security and Intrusion Detection• Threat Intelligence and Analysis• Offensive Security
Part 2: Identify three organizations and include their mission or objectives
<ul style="list-style-type: none">• Organization 1: Mitre Corporation<ul style="list-style-type: none">○ A non-profit organization focused on providing innovative solutions for national security challenges. Their objective is to advance cybersecurity through research, development, and collaboration.• Organization 2: SANS Institute<ul style="list-style-type: none">○ A training and certification organization that specializes in information security and cybersecurity education. They aim to equip professionals with practical skills and knowledge to defend against cyber threats.• Organization 3: Red Team Alliance<ul style="list-style-type: none">○ A community of professionals dedicated to offensive security practices, including red teaming and penetration testing. Their objective is to share expertise and promote best practices in offensive security operations.
Part 3: Write out which organization aligns with your interests and why
<ul style="list-style-type: none">• Organization 1: Mitre Corporation's research-driven approach appeals to my interest in threat intelligence and analysis.• Organization 2: SANS Institute's focus on training and education compliments my interests in network security and intrusion detection.• Organization 3: Red Team Alliance is a good organization for all my interests in offensive security, network security, intrusion detection, threat intelligence, and threat analysis.• Best choice for my professional interests: Given my keen interest in penetration testing and offensive security, I find the Red Team Alliance to be the most suitable organization as it directly caters to my goals and aspirations of working as a penetration tester.
